PROFESSIONAL ORGANIZATIONS

Accessories Council: <http://www.accessoriescouncil.org/> The Accessories Council is a not-for-profit national advocacy organization that works globally to stimulate consumer awareness and demand for fashion accessory products.

The American Apparel & Footwear Association (AAFA): www.wewear.org AAFA is the national trade association representing apparel, footwear and other sewn products companies, and their suppliers, which compete in the global market. Part of their mission is to minimize regulatory, legal, commercial, political, and trade restraints.

Brooklyn Artists Council: <http://www.brooklynartscouncil.org> BAC gives grants, presents free and affordable arts events, trains artists and arts professionals, teaches students, incubates new projects and promotes artists and cultural groups across Brooklyn.

California Fashion Association (CFA): <http://www.calfashion.org/> CFA a business-to-business network and forum for California's Apparel and Textile Industry, established to provide information for business expansion and growth to the apparel and textile industry of California.

The Color Association: <http://www.colorassociation.com> This is a membership-based organization that serves as a premier forecast agent, specialized educator, and trusted advisor to color professionals whose responsibility is to ensure marketplace success for their color decisions in the realm of brands, product and service, and spatial environments.

Costume Society of America: <http://www.costumesocietyamerica.com> The Costume Society of America advances the global understanding of all aspects of dress and appearance. They work to stimulate scholarship and encourage study in the rich and diverse field of costume.

Council of Fashion Designers of America, Inc. (CFDA): <http://cfda.com/> CFDA is a not-for-profit trade association whose membership consists of more than 400 of America's foremost womenswear, menswear, jewelry and accessory designers. Membership is by invitation only.

Fashion Group International - <http://newyork.fgi.org/> Fashion Group International is a global, non-profit, professional organization with 5000 members in the fashion industry including apparel, accessories, beauty and home. Their mission is to be the pre-eminent authority on the business of fashion and design and to help its members become more effective in their careers.

International Costumer's Guild - <http://www.costume.org/> The International Costumer's Guild's purpose is to bring hobbyist and professional costumers from around the world together, and to foster, through its chapters, local education and social costume events.

National Association of Sustainable Fashion Designers <http://www.sustainabledesigners.org/> The mission of National Association of Sustainable Fashion Designers (SFD) is to work with entrepreneurs and other individuals in fashion to provide training and programs that promote sustainable practices, lead projects that create positive social & environmental change and to develop the next generation of fashion leaders.
