PROFESSIONAL ASSOCIATIONS/ORGANIZATIONS

- **Actuality Media:** <http://www.actualitymedia.org/> Actuality Media is a documentary production organization that works to recount the stories of heroes. They work around the world to produce short documentaries about change makers and render their support to filmmakers who want to create social purpose media.
- **The American Society of Cinematographers:** <http://www.theasc.com/index.php> The American Society of Cinematographers is a non-profit association dedicated to advancing the art of filmmaking. Since its charter in 1919, the ASC has been committed to education aspiring filmmakers and others about the art and craft of cinematography.
- **Aperture:** <http://www.aperture.org/> Aperture Foundation's corporate partners and their employees enjoy exclusive benefits and affiliation with critically acclaimed publications, exhibitions, and educational initiatives, which serve nearly one million individuals each year worldwide.
- **Center for Communication:** <http://www.cencom.org> The Center for Communication exposes young people to the issues, ethics, people, and creative product that define the media business. They offer students a unique opportunity to learn about the world of communications.
- **Independent Feature Project:** <http://www.ifp.org/> Established in 1979, IFP has evolved into the nation's oldest and largest organization of independent filmmakers. IFP has supported the production of 7,000 films and provided resources to more than 20,000 filmmakers' voices that otherwise might not have been heard.
- **New York Foundation for the Arts (NYFA):** <http://www.nyfa.org> Established in 1971 by the New York State Council on the Arts to serve individual artists throughout the state, the mission of NYFA is to empower artists across all disciplines at critical stages in their creative lives.
- **Student Television Network:** <https://www.studenttelevision.com/> STN was started in 1999 by a group of teachers who wanted to support and encourage scholastic broadcasting, and to provide a forum for teachers to share ideas, ask questions, and learn from professionals in the industry. Over the past 15 years, STN has expanded to include film, media and other forms of communication taught in high schools and middle schools. STN serves teachers and students with curriculum, communication and competitions year-round.
- **Society of Motion Picture & Television Engineers:** <https://www.smpte.org/> The Oscar® and Emmy® Award-winning Society of Motion Picture and Television Engineers® (SMPTE®), a professional membership association, is a leader in the advancement of the art, science, and craft of the image, sound, and metadata ecosystem, worldwide. Check with BMCC's Media, Arts and Technology Department about a campus chapter.
- **Women Make Movies:** <http://www.wmm.com> Established in 1972 to address the underrepresentation and misrepresentation of women in the media industry, Women Make Movies is a multicultural, multiracial, non-profit media arts organization that facilitates the production, promotion, distribution and exhibition of independent films and videotapes by and about women. The organization provides services to both users and makers of film and video programs, with a special emphasis on supporting work by women of color.
