**ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM**

Graduates of the A.A. in Liberal Arts degree from Borough of Manhattan Community College (BMCC) will qualify for admission into the SPS Bachelor of Arts degree in Human Relations if they have maintained a minimum overall GPA of 2.5 and are in good standing at BMCC. Applicants will follow the standard admissions process, which includes completing a transfer application, SPS's supplemental application form measuring readiness for online education, a statement of interest in the information Systems program, and—at the academic director's description—a personal interview.

BMCC graduates will be awarded 60 transfer credits toward the bachelor's degree based on the current (fall 2014) Human Relations curriculum. Should that curriculum change, it will be necessary to reevaluate the transfer agreement. Courses in math and English require a grade of C or better for transfer in accordance with current University policy. Upon matriculation into the B.A. program in Human Relations, students will be required to complete the School of Professional Studies Online Orientation Program and must fulfill elective and major requirements specified on the following pages.

Total transfer credits granted toward the baccalaureate degree: 60.

Total additional credits required at the senior college to complete baccalaureate degree: 60.

**Total credits required for the B.S. degree in Human Relations: 120**

**COURSE OUTLINE AND TRANSFER REQUIREMENTS**

This articulation agreement puts in a place a "2+2" arrangement between the programs identified above. Students who complete their A.A. degree at BMCC (referred to as a "two-year degree"), and then continue full-time in SPS's B.A. in Human Relations, can complete their B.A. in two years.

<sup>[2]</sup> It is strongly recommended that students take PSY 100 and SOC 100 for their Social Science requirement

<sup>[3]</sup> For maximum transferability of courses, it is strongly advised that students take SOC 200 and SPE 240 as part of their Liberal arts electives
