 - a. Updates on food service – concerns should be brought to the Auxiliary committee
 - b. Books available in the library- Dean Wong and Professor Eng confirmed that there are copies of text books in the library. If any specific books are in more demand, please bring it to this group or Dean Wong or Professor Eng.
 - c. We are working with the Registrar's office to see if faculty updates to specific course sections can be posted as soon as they occur so students know how the professors are. Also we will discuss a way to notify students if a professor has been changed from a course section.
3. Open Discussion on the setting a credit limit to serve on SGA
 - Student representatives discussed other concerns that should be addressed. SGA eligibility is not an issue
 - Students need a semester to acclimate to their leadership role
 - Returning SGA members provide a knowledge base for the new government
 - Students pay Student Activity fee so all should be able to participate
 - Not all students are eligible to serve on SGA already through requirements already set by CUNY, BMCC and SGA
 - A motion was made to end the discussion of this issue. Motion failed: 3- to end discussion; 4 to continue discussion.
4. Meeting adjourned.
