1. Reviewed and approved Minutes from March 6, 2013
2. Items of concerns:
  - a. Chairs need to be checked in classrooms – Students told to report these type of issues
  - b. SGA is working on a Healthy BMCC campaign
  - c. Club space was discussed
    - i. SGA would like to keep multi-purpose rooms open for student club use during the semester – Mr. Mars said this is done through his office for annual activities, particularly those that occur at the end of the semester.
    - ii. Advised to encourage clubs to plan further in advance
    - iii. Suggestion was that Student Activities and SGA will work to “pre-reserve” rooms, hold for a limited amount of time and then release if not being used. SGA will work to provide a projected budget for the clubs for the following semester so they can plan events earlier
3. CUNYfirst update
  - a. Dean Hutmaker updated the group on the process of claiming CUNYfirst accounts – on-line, at CUNYfirst dedicated lab, and asking student support team.
  - b. Asked students to bring this information back to SGA and share with clubs.
4. Meeting adjourned
