- I. President Pérez called the meeting to order at 2:12 pm.

- II. APPROVAL OF MINUTES:
 - A. The minutes of the October 22, 2014 College Council Meeting were unanimously approved.

- III. STANDING COMMITTEE REPORTS
 - A. The Campus Life and Student Issues Committee presented a report:
 1. As a result of conversations generated out of the Committee for Campus Life and Student Issues meetings, we sponsored two days of outreach to assist students in setting up their mobile devices to receive BMCC email.
 2. The tabling was done on Wednesday, November 19 11am-3pm and Thursday, November 20 from 1pm - 5pm outside the Richard Harris Terrace.
 3. The Computer Center created a "How to set up your mobile device for BMCC email" informational flyer for Android and Apple systems. Student volunteers assisted in handing out the information and guiding students to the table for assistance.
 4. This resulted in almost 1500 flyers being picked up by members of the BMCC community and over 70 students had the Computer Center staff assist with the set up on the spot. We also partnered with the Weekend staff to hand out flyers to the weekend students.
 5. Moving forward, we plan to continue the outreach during the end of the semester De-Stressfest activities as well as planning to incorporate this outreach on a regular basis throughout the semester.
